I hereby acknowledge that the **City of Ocean Springs, MS** is issuing Temporary Power
or an Occupancy Certificate for the property known as:

_____ under Permit # _____

in which required Floodplain Management Ordinance requirements have been met and
a final inspection performed. At the time of inspection, _____ vents and _____ crawl
space access doors used to meet the flood venting requirements of the Ordinance
would allow the automatic entry and exit of floodwaters. I acknowledge that all openings
designed to meet this requirement must be maintained as flood vents, and that the
elimination or alteration of the openings in any way that would no longer allow the
automatic entry and exit of flood waters would violate the Flood Damage Prevention
Ordinance. Violations may incur civil penalties and possible court action. In addition, I
acknowledge that alteration of the vents could result in greater risk to my property and
personal safety in the event of a flood. Flood insurance claims may be denied, and
flood insurance may not be available or flood insurance premiums increase if vents are
altered.

As witness the hand and seal of the owner of the subject property this _____ day of
