During hurricane or other severe weather conditions parents are asked to tune into WLOX-TV, Lite 107 FM, K99 FM or WVMJ 1570 and Magic 93.7 for information on program closings. The OSPL Camp program will close for bad weather only during potentially dangerous situations. In the event that the Ocean Springs School District closes, the program will also close. We are concerned about the safety of our staff, the children and the parents driving when the weather is dangerous.

## HEALTH REGULATIONS

**We are not a diapering or changing facility. If your child accidentally soils him or herself, you will be notified immediately, and will be given 1 hour to pick up or come and change your child's clothes.**

In the event of an incident, accident or illness, the Camp Director will:

1. Contact the child's parents or an individual on the child's contact sheet by incident form, or by telephone, outlining the nature of the incident, accident or illness involving the child and outlining whether the child can stay at the facility or needs to be picked up; or,
2. If the child is in a medical crisis, the child will be taken to the nearest medical facility, by emergency transport, for treatment by a licensed physician or will be transported to the location of the parent's choice should the child be exempt from medical care due to religious reasons.

In the interest of every child's well-being, only healthy children will be cared for at the playground site. These are the conditions under which you are requested to keep your child at home:

1. If he/she has a fever or has had a fever of more than 100degrees during the previous 24 hour period.
2. If he/she has diarrhea or vomiting
3. If he/she breaks out in a rash
4. If he/she has symptoms or a possible communicable disease.
5. **If your child has been sent home for head lice and you do not have proof of treatment.**

Staff will conduct a health check of each child on Mondays, and any other time deemed necessary, noting fever, bumps, bruises, head lice, etc. **The first time a child is sent home with head lice, the parent must show bottle as proof of treatment. At anytime beyond the first time a child is sent home, the parent must send proof from a physician stating that the child is free and clear of head lice.**

The Mississippi Child Abuse Law (Chapter 2 1, Section 43-21-353 found in Appendix C) requires every childcare worker in any child facility to report suspected child neglect or child abuse to the Department of Public Welfare. This statute due to the program's licensing requirements binds the program. Any questionable marks, any counselor observing them will bring signs of neglect or questionable responses from the child concerning any of the above subjects to the Camp Coordinator's attention. Upon notification, the Camp Coordinator will:

1. Discuss the items brought to his/her attention with the child in a non-threatening way.
2. Discuss the items brought to his/her attention with the child's parent in a non-threatening way by telephone or in person when the parent picks up the child.
3. If the Camp Coordinator has concerns regarding any of the items discussed with the child or the parent he/she **will** forward all appropriate information concerning the situation to the Department of Public Welfare. This statute due to the program's licensing requirements binds the program. Any questionable marks, any counselor observing them will bring signs of neglect or questionable responses from the child concerning any of the above subjects to the Program director's attention. Upon notification, the Camp Coordinator will:

If a parent is notified to pick up their child because of an incident, accident, illness or detection of head lice, they will be given **one hour from the time of notification** to do so. Children who are ill will be held in the reception area. If the child is not picked up during that time, the **child will be suspended** from the program for the following day. This is very important to the health of all of our children. A child who has symptoms of a contagious disease may be required to obtain a note from the child's doctor before returning to the playground site. The guide-lines prescribed by the State Department of Health regarding exclusion of a child due to illness are listed in Appendix A in the back of this Handbook. In addition, these are posted at your child's playground site.

## **POLICY ON MEDICATION**

**We do not dispense prescription medicine** to camp participants under any circumstances. Our liability insurance policy forbids it.

## **PHOTOGRAPHY**

To promote Ocean Springs Parks and Leisure Services and its programs, we prefer to photograph the children while they are active in the Camp. Many times, TV and outside camera crews will ask permission to take pictures or to film the children during various activities. As a parent, you must give consent in writing to have your child photographed and relinquished all rights, title and interest in the finished photographs, tape and negatives. Your consent form is on your registration form.

## **INSURANCE**

**The City of Ocean Springs Parks & Leisure Services carries accident and liability insurance.** Our staff records all incidents that require first aid. However, our insurance is considered **secondary**. We request that you provide us with the name of your primary insurance carrier on your child's enrollment for our records.
